

**Greenwood Credit Union strikes again  
at the Credit Unions of RI  
“Strike for Gold” Bowling Tournament**

**GCU joined 10 other RI credit unions and industry partners on March 29, 2017  
to support the Special Olympics of RI and it was a huge success!**

This year marks the 10<sup>th</sup> anniversary of the tournament and we could not be more proud to have been a part of it. This annual event provides the opportunity to foster team spirit, bring the credit union community together, and support the mission of Special Olympics.

We are very proud to announce that, collectively, our 3 Greenwood Credit Union bowling teams raised just under **\$7,000** for the Special Olympics of RI – with one of our teams receiving 2<sup>nd</sup> place honors in the top fundraiser category!

It was a truly rewarding experience!

A great time for a great cause!

**Thank you!**

**Thanks to all who supported this very worthy cause!  
We couldn't have done it without you!**

The generosity of GCU's employees,  
network of members and vendors  
contributed to a record breaking **\$31,000**  
raised for the event!
