

## MESSAGE FROM THE PRESIDENT

Finally spring has arrived! I don't know about you, but to me, this winter seems to have gone on forever.

As you can see, we have revised the newsletter and plan to publish it twice a year going forward. Keeping with our commitment to technology, we plan to update you through our Facebook page, website and email. I would encourage you to give us your email address if you have not already done so.

Shared branching will be up and running soon, and we will provide information on how to use this valuable and convenient technology. We also will be offering remote deposit capture (depositing checks by taking pictures via your cell phone) shortly to qualified consumers.

By most indications, the national economy continues to improve and while Rhode Island continues to lag (especially in employment), we do see signs that more people are feeling better about their financial well-being.

Thanks for being a member. I hope you have a great spring and summer.

Sincerely,  
Jim Irving

## GCU WELCOMES DEREK BRYNES, ADMINISTRATIVE CLERK

GCU is happy to have Derek join us as a part-time administrative clerk. A client of the Trudeau Center, he came to us in January as part of their Job Development Program.

## INTRODUCING AUTO LOAN WARRANTIES

As of February 1st, GCU started offering this new product for members. It's a great idea for new and pre-owned car purchases. Of course, we're happy to offer very competitive rates. There are 3 different levels of warranty, depending on your car's age and mileage. There's something for everyone, from those who own a car that is less than 11 years old, to those with a new car, who want a bumper to bumper warranty. The feedback has been great from the start. For information, stop in to see us, or call 401-562-2756.
