New Year, New Scams!

ALERT

The start of a new year is a popular time for financial fraud, as scammers target people setting budgets, filing taxes, or opening new accounts. Common New Year scams include phishing emails (or texts) posing as banks or government agencies, fake investment offers promising quick returns, and urgent requests for payment through gift cards, wire transfers, or digital wallets. Protect yourself by slowing down and verifying before you act. Legitimate financial institutions (like Greenwood) will never ask for sensitive information or payment in unusual ways, such as gift cards or bitcoin. Staying cautious and informed can help protect you all year long. Click here to check out our Security Center and stay up to date on tips, techniques, and best practices

Greenwood Credit Union Ice Skating Rink

This past December, our community gained something truly special — a brand-new skating rink right here in Warwick, RI, proudly sponsored by Greenwood and opened just in time for the winter season. The rink was created to bring neighbors together, encourage outdoor fun, and offer a family-friendly space where memories can be made all season long. From first-time skaters wobbling across the ice to seasoned skaters gliding with confidence, the rink has already become a place filled with laughter, connection, and winter magic. Greenwood Credit Union is honored to support a project that reflects what matters most to us, investing in community. Seeing the rink come to life, and watching the joy it's bringing, has made this sponsorship especially meaningful. Whether you're stopping by for an afternoon skate, an evening under the lights, or simply to enjoy the festive atmosphere, we look forward to the Greenwood Credit Union ice skating rink becoming a cherished winter tradition for years to come.
